

Acute and Chronic Rhinosinusitis: A Comprehensive Review

www.coursera.org/learn/icahn-school-of-medicine-at-mount-sinai-acute-and-chronic-rhinosinusitis

About this course: Welcome to Acute and Chronic Rhinosinusitis: A Comprehensive Review This course, offered by the Department of Otolaryngology – Head and Neck Surgery at the Icahn School of Medicine at Mount Sinai, is designed to inform primary care physicians and general otolaryngologists, as well as nurses, physician assistants and medical assistants, about the differences between acute and chronic rhinosinusitis and how to distinguish and treat them. It is also applicable to individuals who wish to broaden their knowledge and vernacular about this disease process, especially those who may suffer from this condition. The course has been divided into four modules, each of which is followed by multiple choice questions to help attendees further understand this condition: Week 1 - CME Information, Accreditation and Introduction Week 2 - Module 1: Normal Sinus Anatomy and Function (15 min. + quiz) Week 3 - Module 2: Acute Rhinosinusitis: Diagnosis and Treatment (17 min. + quiz) Week 4 - Module 3: Chronic Rhinosinusitis: Diagnosis and Treatment (18 min. + quiz) Week 5 - Module 4: The Role of Surgery for Sinusitis and Activity Evaluation (36 min. + 2 quizzes) The primary objective of this course is to provide physicians with a thorough understanding of how to better diagnose and treat patients who suffer from acute and chronic rhinosinusitis. Those participating in this course have the option to receive CME credit. Please review the CME Information and Accreditation prior to proceeding with the course modules. Release Date: November 18, 2015 Expiration Date: November 18, 2017 Estimated Time to Complete: One Hour and Forty Five Minutes CME Fee: \$30.00 CME Credits Offered: 1.75 CME Reviewer: Marita S. Teng, MD For physicians who are interested in earning CME credits and other allied health professions who wish to receive a Verification of Attendance certificate, you must: a. Complete Signature Track (details to follow after enrolling in this course) b. Complete registration process through the Icahn School of Medicine at Mount Sinai, CME Office using the following link: <http://mshs.co/SUxzr> (You will be required to pay an additional non-refundable fee of \$30.00 in addition to the \$49.00 fee for signature track.)
