PROGRAM
DESCRIPTION

This full-day annual symposium provides clinicians in the tri-state community with a comprehensive update of treatment approaches to the diagnosis and management of movement disorders. A broad spectrum of diseases including Parkinson’s disease (motor and non-motor symptoms), atypical parkinsonian conditions, chorea, tremor, dystonia, tardive dyskinesia, and tics/Tourette Syndrome will be addressed. Through video review, didactic lecture, and interactive discussions with expert clinicians, attendees will learn about current medical and cutting-edge diagnostic and management options including local injections of botulinum toxin and deep brain stimulation (DBS).

LEARNING OBJECTIVES

• Identify the spectrum of tardive dyskinesia symptoms and discuss management options.

• Formulate an assessment for the patient with tics or Tourette Syndrome.

• Recognize the clinical syndrome of dystonia, list current treatment approaches including local injections of botulinum toxin, and discuss new therapies currently in study.

• Devishe appropriate management strategy for the patient with advancing Parkinson’s disease.

• Identify the non-motor symptoms of Parkinson’s disease and design an appropriate management plan.

• Describe an appropriate movement disorder candidate for DBS (deep brain stimulation) surgical intervention.

Who Should Attend?
General neurologists, neurosurgeons, primary care physicians, psychiatrists, rehabilitation physicians, neurology nurses, physician assistants, movement disorder fellows, and neurology residents.

Accreditation
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance
Verification of attendance will be provided to all professionals.
The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

**Faculty Disclosure**

It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

| 8:15-8:30 | WELCOME  
Steven Frucht, MD and Vicki Shanker, MD                                |
| 8:30-9:30 | KEYNOTE: TARDIVE DYSKINESIA: CLINICAL VARIATION, REVERSIBILITY, AND NEW TREATMENTS  
Stewart A. Factor, DO                                                |
| 9:30-10:10 | TICS & TOURETTE SYNDROME  
Barbara Coffey, MD, MS                                              |
| 10:15-10:30 | BREAK                                                             |
| 10:30-11:30 | KEYNOTE: DYSTONIA: RECOGNITION, TREATMENT, AND RESEARCH HORIZONS  
Cynthia Comella, MD                                                   |
| 11:30-12:15 | PARKINSON’S DISEASE MANAGEMENT: MOTOR SYMPTOMS  
Paul E. Greene, MD                                                   |
| 12:15-1:00 | LUNCH                                                                |
| 1:00-1:45 | TREATING THE WHOLE PATIENT: KEYS TO IDENTIFYING AND TREATING THE NON-MOTOR SYMPTOMS OF PD  
Vicki Shanker, MD                                                   |
| 1:45-2:00 | BREAK                                                               |
| 2:00-2:45 | DEEP BRAIN STIMULATION (DBS) FOR MOVEMENT DISORDERS  
Brian Kopell, MD                                                   |
| 2:45-3:30 | DBS PROGRAMMING  
Ritesh Ramdhani, MD                                                |
| 3:30-4:30 | VIDEO CASE PRESENTATIONS  
Steven Frucht, MD and Faculty                                        |
| 4:30 | ADJOURN                                                              |
ACGME Competencies
This course is designed to meet one or more of the following Accreditation Council of Graduate Medical Education (ACGME) competencies:

- Patient care
- Medical knowledge
- Interpersonal and communication skills

For Conference Information
Email: cme@mssm.edu or call the Office of CME at 212-731-7950

Meeting Location
Icahn School of Medicine at Mount Sinai

TWO WAYS TO REGISTER:
- Online: www.icahn.mssm.edu/cme/courses
- Mail: this form with your check to:
  Icahn School of Medicine at Mount Sinai
  The Page and William Black Post-Graduate School
  One Gustave L. Levy Place, Box 1193, New York, NY 10029

Enclosed is my check for $__________ made payable to:
  The Page and William Black Post-Graduate School of Medicine

For security purposes, credit card payment cannot be accepted by mail or fax. Please visit mssm.edu/cme/course to register and pay by credit card.

FOR ONSITE REGISTRATION ONLY
- Bill my credit card $__________
- MasterCard
- Visa
- American Express
Card Number ____________________________ Exp Date ____________________________ CCV#_______
Cardholder’s Name (please print) ___________________________________________________
