Advances in MOVEMENT DISORDERS

The 6th Annual NYC Movement Disorder CME Symposium

Icahn School of Medicine at Mount Sinai
GOLDWURM AUDITORIUM
1425 Madison Avenue
New York, NY

Sunday, April 2, 2017

Course Director

VICKI SHANKER, MD
Assistant Professor of Neurology
Icahn School of Medicine at Mount Sinai
Neurology Residency Program Director
Mount Sinai Beth Israel

Co-Director

STEVEN FRUCHT, MD
Professor of Neurology
Director of the Robert and John M. Bendheim Parkinson and Movement Disorders Center
Icahn School of Medicine at Mount Sinai

Sponsored by

Division of Movement Disorders
Department of Neurology
Icahn School of Medicine at Mount Sinai

www.icahn.mssm.edu/cme/courses
This full-day annual symposium provides clinicians in the tri-state community with a comprehensive update of treatment approaches to the diagnosis and management of movement disorders. A broad spectrum of diseases including Parkinson’s disease (motor and non-motor symptoms), atypical parkinsonian conditions, chorea, tremor, dystonia, tardive dyskinesia, and tics/Tourette Syndrome will be addressed. Through video review, didactic lecture, and interactive discussions with expert clinicians, attendees will learn about current medical and cutting-edge diagnostic and management options including local injections of botulinum toxin and deep brain stimulation (DBS).

**LEARNING OBJECTIVES**

- **Identify** the spectrum of tardive dyskinesia symptoms and discuss management options.
- **Formulate** an assessment for the patient with tics or Tourette Syndrome.
- **Recognize** the clinical syndrome of dystonia, list current treatment approaches including local injections of botulinum toxin, and discuss new therapies currently in study.
- **Devise** an appropriate management strategy for the patient with advancing Parkinson’s disease.
- **Identify** the non-motor symptoms of Parkinson’s disease and design an appropriate management plan.
- **Describe** an appropriate movement disorder candidate for DBS (deep brain stimulation) surgical intervention.

**Who Should Attend?**

General neurologists, neurosurgeons, primary care physicians, psychiatrists, rehabilitation physicians, neurology nurses, physician assistants, movement disorder fellows, and neurology residents.

**Accreditation**

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Credit Designation**

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Verification of Attendance**

Verification of attendance will be provided to all professionals.
Special Needs
The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

Faculty Disclosure
It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

BARBARA COFFEY, MD, MS
Professor, Department of Psychiatry
Director of the Tics and Tourette’s Clinical and Research Program
Division of Tics, OCD and Related Problems
Research Psychiatrist, Nathan Kline Institute for Psychiatric Research
Mount Sinai Behavior Science Unit

PAUL E. GREENE, MD
Associate Professor of Neurology
Robert and John M. Bendheim Parkinson and Movement Disorders Center
The Mount Sinai Hospital

GUEST FACULTY

CYNTHIA COMELLA, MD, FAAN
Professor
Department of Neurological Sciences
Rush University Medical Center
Chicago, Illinois

STEWART A. FACTOR, DO
Professor
Director Movement Disorder Program
Vance Lanier Chair of Neurology
Emory University School of Medicine
Atlanta, Georgia

FACULTY

DIRECTOR
VICKI SHANKER, MD
Assistant Professor of Neurology
Neurology Residency Program Director
Mount Sinai Downtown

CO-DIRECTOR
STEVEN FRUCHT, MD
Professor of Neurology
Director of the Robert and John M. Bendheim Parkinson and Movement Disorders Center
The Mount Sinai Hospital

BRIAN KOPELL, MD
Associate Professor of Neurosurgery, Neurology, Psychiatry, and Neuroscience
Director, Center for Neuromodulation
The Mount Sinai Hospital

RITESH RAMDHANI, MD
Assistant Professor of Neurology, and Neurosurgery
Robert and John M. Bendheim Parkinson and Movement Disorders Center
Associate Director, Center for Neuromodulation (Movement Disorders)
The Mount Sinai Hospital

ACGME Competencies
This course is designed to meet one or more of the following Accreditation Council of Graduate Medical Education (ACGME) competencies:
• Patient care
• Medical knowledge
• Interpersonal and communication skills
